Subject: Letter of Recommendation

This testimonial letter is written as per the request of Mr SEBIT PAL KONG. In response to his request, I am pleased to write this letter of recommendation.

As an undergraduate in the Biology Department, I have known Mr. SEBIT for the previous two years. I taught him Practicum III and Subject Area Method II. The first course covers the academic aspects of teaching biology, while the second one concentrates on actual teaching techniques in a classroom setting.

I have had the chance to assess Mr. SEBIT's abilities and subject-matter expertise as his supervisor and course instructor by watching his engagement and interactions in the classroom. I consider him to be one of my most exceptional students in every way. Additionally, I observed his talent and interest in the information and practical skills of biology instruction. Through diligence, diligence, and teamwork, Mr. SEBIT has demonstrated his ability to do duties politely and on schedule.

Mr. SEBIT is a sociable, hardworking, enthusiastic, and honest guy. I witnessed his duty-mindedness, ambition, enthusiasm, and respectfulness. His academic caliber, interest, and grip over the subject area make him highly suitable for academic positions.

In a nutshell, I highly recommend **Mr.** SEBIT for academic positions in your organization. I wish all the best for him future duties and responsibilities where he is going to be betrothed.
